Take you all around the world (all around)
Wanna see the whole wide world with you (oh)
I don't mind bustin' down my last if it's with you (oh-oh)
Just make sure you do a favor for a favor

Baskin-Robbins on my wrist, I got thirty-one flavors (flavors)
Pull up to my estate when you wanna hire from your neighbors
You know I never mind, 'cause the pussy sweet, sweet
When the lights go off, you be freakin'
I can always depend on you pushin' me to the deep end (oh-oh)
Let your hair down, especially on the weekend (yeah)
Turn on the TLC, 'cause we be creepin'
Drop a twenty-piece to you, 'cause I'm 'bout to catch a jet (jet)
Real rich nigga, my ashtray made by Patek (Patek)
I done already lived low, I was waitin' on my glow
I was waitin' on you to call me and tell me you comin' back home
(Comin' back home)
I was waitin' on APM, 'cause they let me shop when it's closed
(Let me shop when it's closed)
I always catch myself reminiscin' about times we shared

Take you all around the world (all around)
Wanna see the whole wide world with you (oh)
I don't mind bustin' down my last if it's with you (oh-oh)
Just make sure you do a favor for a favor (favor, favor, favor, favor, favor)
Just make sure you do a favor for a favor (favor, favor, favor)
Favor for a favor (favor, favor)

I can do for you, you do for me, that's how it work (it work)
I scratch your back, you scratch my back, I buy you a designer purse (uh-huh)
You 'round my kid, I'm 'round your kid, so I try not to curse
I take you out to eat and I open your door first
I try not to fall in love, 'cause my heart be too enormous (heart be too big)
You know how these hoes be
They steady toward me, 'cause I made the Forbes list
Very important, why you wanna do that to me, baby?
Why you can't be comfortably in my GLE?
Why you always come for me?
I just wanna fuck you good, I ain't on no fuckery

Take you all around the world (all around)
Wanna see the whole wide world with you (oh)
I don't mind bustin' down my last if it's with you (oh-oh)
Just make sure you do a favor for a favor (favor, favor, favor, favor, favor)
Just make sure you do a favor for a favor (favor, favor, favor)

Favor for a favor (favor, favor)
